Dear Parents/Guardians and Students:

Greetings, Hawk Families! Spring Break is upon us! I cannot believe how fast this year has gone! Things are going to get very busy with state testing and class trips the last two months so please encourage your students to stay on top of their academics with the goal of having a strong finish to the school year.

You will notice that there is a second attachment with this communication which shares information and important dates for the River Dell Junior Police Academy. This amazing event gives students an opportunity to learn about law enforcement and make new friends. It is open to current 6th, 7th, and 8th grade students in the River Dell community and is led by both the River Edge and Oradell Police Departments.

Reminder to 7th grade families, we are still awaiting schedule survey results from just under half our returning student population. The survey link was sent in an email to all students on Monday and must be completed by April 18th.

I hope everyone has a wonderful week off from school. Please encourage your student to use the time to relax, recharge, and get outside and enjoy the spring weather!

Best Regards,

Robert Urbanovich
