June 21, 2022

Dear Parents/Guardians and Students:

Greetings, Hawk Families! This is a reminder that the 8th Grade “Moving Up” Ceremony starts at 1:30 on the high school turf field Thursday, June 23rd. Students will have an assembly Wednesday to review expectations. Here are a few reminders:

- Students should arrive at 1:00 so they can find their assigned seat on the field.
- Dress code is business casual with comfortable footwear.
- Students will receive certificates after the ceremony at the snack stand.
- There will be a live feed in the high school cafeteria for those who prefer to sit in air-conditioning.
- **If we are outside, there is no limit on the number of guests per student.**

If weather conditions force the ceremony inside:

- You will receive notice of the change by 11:30 AM on Thursday.
- We will use the high school gymnasium for the ceremony.
- Same arrival time, start time, and dress code from above apply.
- Students will receive certificates after the ceremony in the high school cafeteria.
- **If we are moved to the gym, please be considerate of the limited space for family and friends. Additional guests can view the live feed in the air-conditioned cafeteria or auditorium.**

*Just a gentle reminder that if anyone is exhibiting covid symptoms, please err on the side of caution.

Best Regards,

Robert Urbanovich
Principal, River Dell Middle School
