Assistant Principal

June 23, 2022

Dear River Dell Community:

The “Moving Up” Ceremony will take place outside today! With the amount of time spent indoors over the last few years, I think it makes sense to brave any potential weather conditions and celebrate outdoors.

Those who are unable to attend can view the live feed at:

<https://www.youtube.com/riverdelltelevision/live>

Here are a few reminders:

- Students should arrive at 1:00 so they can find their assigned seat on the field.
- Dress code is business casual with comfortable footwear. No hats.
- Students will receive certificates after the ceremony at or near the snack stand.
- There will be a live feed in the high school cafeteria as well as in the high school auditorium for those who prefer to sit in air-conditioning.

*Just a gentle reminder that if anyone is exhibiting covid symptoms, please err on the side of caution.

Best Regards,

Robert Urbanovich
Principal, River Dell Middle School
