Dear Students and Parents/Guardians:

Greetings, Hawk Families! Our students and staff are off to an outstanding start to the school year as we prepare for a well-deserved extended weekend! Please be reminded that there are no classes Monday and Tuesday of next week. You will notice I attached a packet on family conversations centered around digital citizenship similar to what was mentioned in the pre-*Back to School Night* presentation last week. This will help you navigate important conversations with your students regarding important elements of development towards becoming a strong digital citizen.

Also discussed in the presentation were ways for students to access resources for the technology used in the district in the event your student runs into an issue at home. You will find these helpful resources here: <https://www.riverdell.org/cms/One.aspx?portalId=8717297&pageId=9075227>.

Finally, please see below for important upcoming dates:

<b>September 26-27:</b>	No Classes
