Assistant Principal

October 7, 2022

Dear Students and Parents/Guardians:

Greetings, Hawk Families! Congratulations on the completion of one month of school! I hope the experience has been positive thus far for both you and your student! A reminder that there are no classes on Monday.

Barring any last-minute changes, Progress Reports will be available to view Monday morning when the portal opens for all parents. I encourage you to view the reports with your student and contact the specific teacher if you have any questions. It is important to note that every student does not receive a progress report. The first marking period officially ends on November 9th.

The co-curricular program at the middle school should be in full swing next week. [By clicking here](#), you will be able to download a copy of the weekly schedule, located on the River Dell Middle School website, to learn about meeting dates and locations. I would like to highlight two clubs that are available to all students. The Homework Club meets every Monday and Tuesday and the Mu Alpha Theta Math Tutoring Lab will be up and running in a few weeks. The latter consists of River Dell High School students who are members of the Math Honor Society that will visit the middle school to provide free tutoring to 7th and 8th grade students who sign up. More information on Mu Alpha Theta will be forthcoming. From an academic support standpoint, both opportunities serve as great resources for our students!

Finally, today was the last day of our official *Week of Respect*! Faculty members have infused messages of respect and kindness in recent lessons and will continue to do so where appropriate throughout the month. The week concluded with a very successful 7th Grade Field Day! Team building skills were on full display and new friendships were made!

Have a wonderful weekend!

Best Regards,

Robert Urbanovich
Principal, River Dell Middle School
