February 3, 2023

Dear Students and Parents/Guardians:

Greetings, Hawk Families! Please be careful tonight into tomorrow as temperatures dip to very dangerous levels! I wanted to reach out with a few reminders and some new information regarding what is happening at the middle school.

Next week, RDMS will be hosting its annual Book Fair. You will notice a separate attachment from our teacher-librarian, Ms. Risi. In this document, you will find important links that include instructions on how to create an *eWallet* for your student to be used to purchase items.

I was recently made aware of a tutorial on subscribing to River Dell calendars, so community members do not miss the important dates that have been published. The following link, [Subscribe to Calendars - River Dell Regional School District](#), will walk you through the process. I find this will be especially helpful with calendar reminders about state testing, end dates of marking periods, and other events that students often forget to share with parents/guardians at home.

All items from the lost and found will be moved to the front lobby. They will remain on display until Winter Recess, which begins February 17th. At that point, they will be donated to charity. Please speak to your student if any belongings have gone missing during the winter season. Among other items, we have many sweatshirts, jackets, water bottles, and lunch boxes.

Reminder that yearbooks remain on sale. The recently updated order form, with an increase in price, is one of the attachments. Waiting to make a purchase when the books are delivered in June does not guarantee a copy as inventory goes fast. The only way to guarantee purchase of a copy is to order it prior to shipment.

The final attachment is a reminder about Spring Track & Field. If your student is interested in participating in track & field at the middle school, it is very important that the process for signing up is properly followed. The attachment will walk you through the process. Have a wonderful weekend!

Important Upcoming Dates: **February 6 – 10: Book Fair**
 February 17 – 21: Winter Recess
 March 2: 8th Grade French Trip

Best Regards,

Robert Urbanovich
Principal, River Dell Middle School
