Dear Students and Parents/Guardians:

Greetings, Hawk Families! I just wanted to reach out with some important reminders of upcoming events at the middle school. If you are available this evening, please consider attending the PTSO organized event, an evening with the **Bergen County Assistant Prosecutor, *Brian Sinclair, Chief of Cyber Crimes Unit***. This informative parent session will cover important cyber safety topics such as Cyber-Bullying, Harassment, and Child Predators. There will be a brief PTSO meeting at 7PM in the RDHS Library, followed by the presentation.

Lawn signs are currently being sold by the River Dell PTSO for families who have an 8th grader at RDMS. Support your student and the class with the purchase of a lawn sign! Each sign can be personalized with your student's name or "Good Luck". [Order form](#)

We are still collecting money and permission slips for the 7th Grade Pool Party and the Semi-Formal for all grades. Please make sure forms and payments are turned in prior to the Memorial Day Weekend Break.

More information will be shared leading up to the *Moving Up Ceremony* in June. For planning purposes, the ceremony will be held Thursday, June 22nd at 1:30 in the high school stadium. Students should plan to arrive and find their seats on the turf field at 1:00. We anticipate the ceremony to last about an hour.

Please see the second page for an updated calendar of events as we near the end of the 2022-2023 school year.
