Assistant Principal

June 17, 2023

Dear Students and Parents/Guardians:

Greetings, Hawk Families! As the end of the school year draws near, please be reminded that Monday through Thursday will all be one-session days for all students. Dismissal time for one-session days is 12:05 and lunch will not be served.

I want to share that our students who attended trips on Thursday and Friday displayed outstanding behavior! I am so proud of how cooperative our 8th graders were on Thursday and our 7th graders were yesterday! My hope is that they will continue to stay focused through our final shortened week.

Students returning to River Dell schools next fall will hang on to their devices. My advice is to keep all district items in a safe place so that they can easily be found at the end of summer. I will be in touch with more news about the *Moving Up Ceremony* for the Class of 2027 and summer information for the Class of 2028. Have a wonderful weekend and to the fathers out there, Happy Father's Day!

Best Regards,

Robert Urbanovich
Principal, River Dell Middle School
