Dear Students and Parents/Guardians:

Greetings, Hawk Families! As we approach the holiday season, I wanted to take this opportunity to express my gratitude and appreciation for your support during this first half of the school year! It has been a pleasure watching the growth and achievements of our students and I look forward to shared success in 2024! I know I speak on behalf of the entire district when I say thank you to those who came out and voted in support of the referendum. The facility improvements throughout the River Dell school community will benefit our students for years to come!

Through the first four months of the school year, our engaged students, together with our dedicated faculty and staff have created a positive learning environment at RDMS and their commitment to excellence has made the time we have had together memorable. We try our best to promote effort, resilience, and an understanding that through the learning process, failure can sometimes be a necessary step in finding eventual success. Our students continue to work hard and hopefully are having a positive experience in middle school.

As we head into our break, I want to wish everyone a relaxing holiday season and look forward to seeing our River Dell family again on January 2nd, excited, and ready to take on 2024!

Best Regards,

Robert Urbanovich
Principal, River Dell Middle School
